29th April 2016

CIRCULAR

Sub: Institute Research Associate – reg.

The Council of the Institute at its meeting held on 19th December 2015 discussed the scheme of award of research associateship to the students who submit their thesis before the end of 5th year and revised the scheme as follows:

- This is applicable to all the students who submit their thesis on (or) after 19.12.2016. The students who have submitted their thesis before 19.12.2015 are governed by old rules only.
- The award of Research Associateship has been restricted to a maximum of 12 months from the date of submission of thesis.
- These students are called as "Institute Research Associates"
- The consolidated honorarium will be Rs. 30,000/- per month. This will remain unchanged for the entire period of the Research Associateship. However, after the award of the degree, if the candidate continues his stay in the same supervisor's laboratory, the supervisor can top up the amount by a maximum of Rs. 6,000/- p.m.
- If the student is leaving the Institute after the award of the degree, the student has to inform the Academic Section and the Council Section at least 15 days in advance through the concerned Department. A formal relieving letter will be issued by the Academic Section and Research Associateship will be withdrawn with effect from the date of leaving the Institute.
- The approvals under this revised scheme will be issued and monitored by the Academic section.
